Class Planner: Write the class name and instructor in each box

As a reminder, each class has a \$100 per day registration fee that will be paid as part of registration, and may also have materials or kit costs that will be payable to the instructor directly. There are also several classes that are 2-day classes. If you register for a 2-day class, you must attend both days. For example, if you register for a Thursday-Friday class, you could choose a 2nd class for Saturday, but you must pay for and attend both days of the 2-day class. Instructors will contact you directly to manage payment for kits in late summer when registration closes and classes are finalized.

| Class Day | 1st Choice | 2nd Choice | 3rd Choice |
|-----------|------------|------------|------------|
| Thursday | | | |
| Friday | | | |
| Saturday | | | |

Lunches: Lunches are included in class registration fees; only buy additional lunches if you want lunches for a spouse or guest, or if you have not registered for class. Vegetarian options are available.
